Former southwest Ohio school board member named new OSBA regional manager

COLUMBUS — Former southwest Ohio school board member Mark Ewing recently joined the Ohio School Boards Association (OSBA) staff as southwest regional manager. He replaces Ronald J. Diver, who passed away earlier this year after holding the position for nearly 20 years.

Ewing served 12 years on the Batavia Local Schools Board of Education in Clermont County and eight years on the Great Oaks Career Campuses board while representing his local board as president, vice president and delegate to the OSBA Delegate Assembly.

He also was greatly involved with OSBA during that time, serving as Southwest Region president and on the region's executive committee. At the state level, he served on OSBA's Board of Trustees, Executive Committee and Legislative Platform Committee, among others.

As regional manager, Ewing will provide leadership in developing and maintaining programs for OSBA member school districts in 17 southwest Ohio counties and coordinate activities for the region's members.

Ewing can be reached at (614) 540-4000 or mewing@ohioschoolboards.org. His photo is available at <http://links.ohioschoolboards.org/25223>.

Founded in 1955, OSBA leads the way to educational excellence by serving Ohio's public school board members and the diverse districts they represent through superior service, unwavering advocacy and creative solutions.
