Introduction

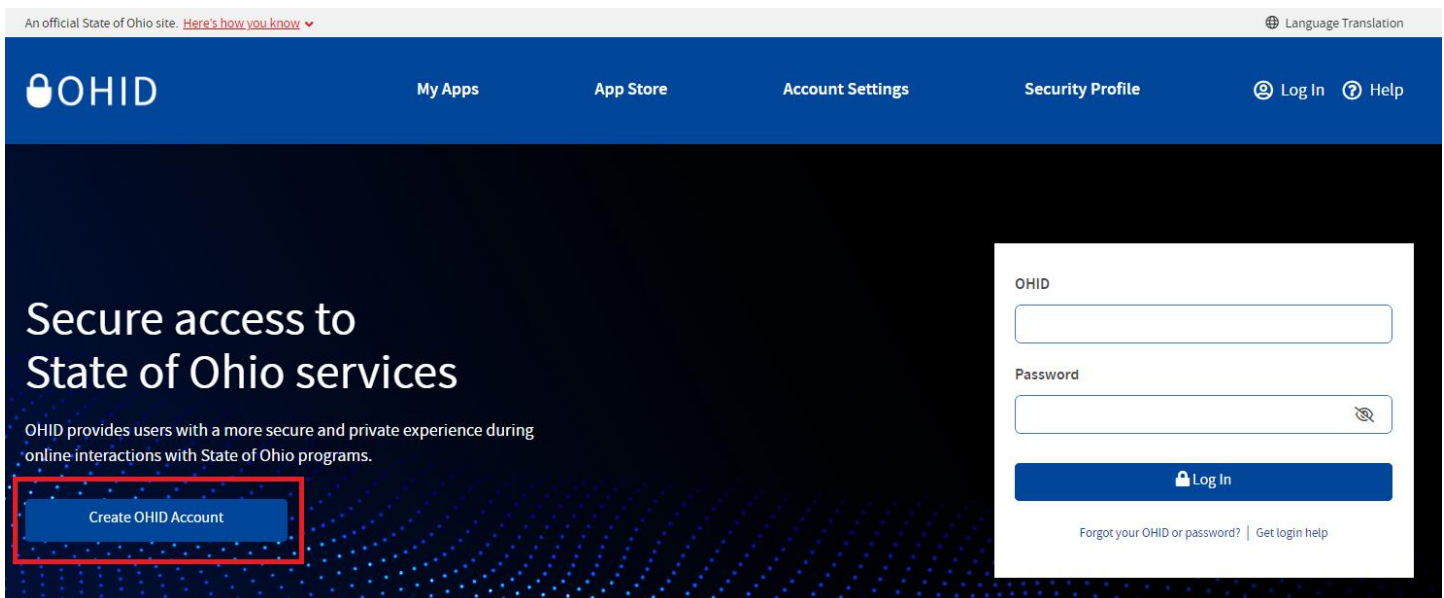

The State Board of Education monitors the Rapback enrollment of all licensed educators. Beginning in July 2024, the State Board will monitor school bus and van drivers and other individuals working in schools in positions that do not require an education credential. More information will be available on how to enroll these individuals. However, prior to those details being released, drivers and non-licensed individuals can get a jump-start on the process by obtaining an Educator State ID. Please follow the steps below.

Create an OHID Account

Access to the Connected Ohio Records for Educators (CORE) system is available through the OHID portal. The OHID portal is an identity solution from the InnovateOhio Platform. The goal of OHID is to create one simple and secure location for all Ohio citizens to access information and conduct business with the State of Ohio. Through OHID, school district personnel and applicants can access all statewide applications in a more secure, streamlined way.

New users must create an OHID account and a user profile to access the CORE system and request an Educator State ID. Begin by navigating to <https://ohid.ohio.gov/>. Please review information on the [Help Logging In](#) webpage if you need assistance with setting up your OHID account.

Step 4. Enter your information on the Add Basic Information page and click Next.

Add Basic Information

First, we need some basic information about you. Fields marked with an asterisk are required. To help avoid creating a duplicate profile:

- Please enter your legal name where indicated, even if that is not what you normally use. For example, Robert instead of Bob or Elizabeth instead of Beth.
- Providing the last four digits of your social security number (SSN) or Individual Taxpayer Identification Number (ITIN) significantly decreases duplicate profiles. If you do not have one of these numbers, please check the "I do not have an SSN or ITIN" box.

*(Required)

*Legal First Name	Middle Name
*Current Legal Last Name	Previous Last Name 
Suffix (e.g. Jr., I, II, III)	*Date of Birth 01/01/2000

Step 5. Provide your Ohio driver's license information in the Identity Verification section and click **Verify**. If you do not have an Ohio driver's license, review other acceptable forms of identification on the [Identity Verification webpage](#). Once the identification you provided has been verified, check the **I agree** checkbox and click **Next**.

Step 6. Provide your contact information in the next section and click **Next**.

Step 7. Review your information and click **Submit**.

Once your user profile is approved you may request an Educator State ID. Please proceed to the **Request an Educator State ID** section of this manual.

Request an Educator State ID

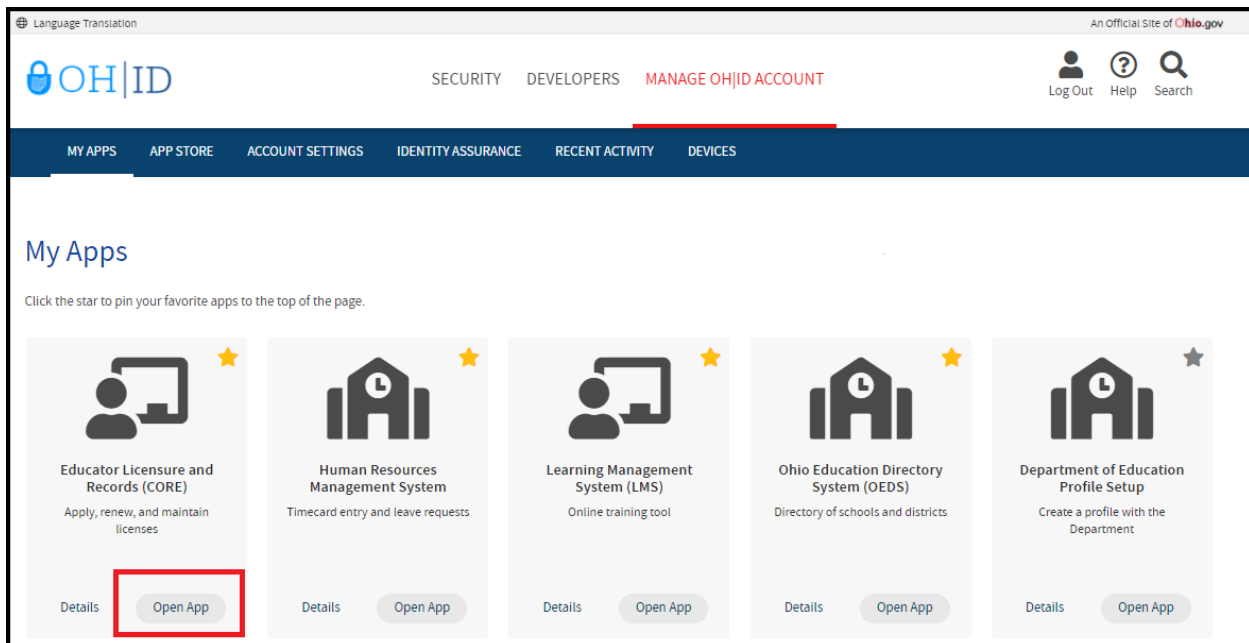

The next step is to request an Educator State ID number for use in the CORE system. The Educator State ID is necessary to complete Rapback enrollment and monitoring for drivers, non-licensed school personnel, and licensed educators. Educator State IDs also help State Board of Education staff identify and eliminate the occurrence of duplicate records in the database.

Please complete the following steps to request an Educator State ID:

Step 1. First, you must have an OHID account and create a user profile. If you have not completed these steps, please follow the instructions beginning in the **Create an OHID Account** section of this manual.

Step 2. After you have created an OHID account and user profile, navigate to <https://ohid.ohio.gov/> and log in to your OHID account.

Step 3. Open the **Educator Licensure and Records (CORE)** app under **My Apps**.

(Figure 13 OHID My Apps)

Step 4. Click My Profile in the red ribbon at the top of your CORE Dashboard.

(Figure 14 CORE Dashboard)

Step 5. Click **Obtain Educator State ID** and answer the questions in the pop-up box. If you answer **Yes** to any of these questions, you already have an Educator State ID. You may be prompted to select an account that matches your demographic information. Once you have answered all the questions correctly, your Educator State ID will be assigned automatically and appear on your CORE Dashboard under **My Educator State ID**.

Please note: If you are a credentialed educator in the State of Ohio, you already have an Educator State ID. You will see it on your CORE Dashboard under **My Educator State ID** and in My Profile under **Educator State ID**. **IF** you are a credentialed educator in the State of Ohio **and** the **Obtain Educator State ID** button appears, you may have a duplicate record. This requires maintenance in the data system. **DO NOT click Obtain Educator State ID if you are a credentialed educator.** Please contact Educator Licensure Customer Support at Educator.Licensure@sboe.ohio.gov to correct the duplicate records.
