## Imagine the difference an extra \$10,000, \$20,000 or even \$30,000 per year could make for your district.

**Make it happen with OSBA BoardDocs®.** Right now, districts throughout the U.S. are saving tens of thousands of dollars annually just by going paperless, and you can too! Let us show you how BoardDocs can save your district significant amounts of time and money. And, how BoardDocs can help your organization go paperless for as little as \$2,700 annually and a low, one-time, \$1,000 start-up fee.

Our next-generation, cloud-based technology allows organizations to significantly improve the way they create and manage packets, access information and conduct meetings. And because OSBA BoardDocs is so easy to use, your organization will operate more effectively from day one. Plus, only BoardDocs includes dedicated project management, on-site training and US-based, 7 x 24 technical support with every subscription.

# Work with Ohio's best labor relations team!

OSBA offers a “total package” solution to meet all of your district’s labor needs. Our labor relations team is composed of attorneys with extensive experience in arbitrations, unfair labor practices and other labor-related services.

And, no one can beat our pricing — just \$2,000 per case, plus the cost of mileage! Read what your colleagues have to say about OSBA’s labor relations services:

*“Our district has enjoyed a long-standing relationship with OSBA. The association’s labor relations assistance helped with negotiating contracts that minimized labor-management problems during the life of contracts. That assistance was invaluable, allowing the district to focus on educating children.”*

— Cardington-Lincoln Local (Morrow)
