# Member Benefit Opportunity

As a public state funded employer in the state of Ohio, it is recommended that you annually review the alternative rating / premium discount programs available through the Ohio Bureau of Workers' Compensation (BWC) to help your school district save the most money possible.

Since 1991, the Ohio School Boards Association has offered a workers' compensation member benefit to help reduce your premium. Let our administrator, CompManagement, review your organization for discounts ranging up to 59% to ensure that your district is maximizing its savings!

## NO COST

CompManagement offers a free, no-obligation evaluation to assist with your annual due diligence to compare discount opportunities and fees.

## VALUABLE ACCOUNT INFO

Opportunity to compare TPA services and receive valuable account information including rating options, premium estimate and claims history.

## BEST SAVINGS OPTION

The experts at CompManagement will offer suggestions for participation in programs that can be stacked together to maximize your savings.

We strongly encourage you to compare services & fees prior to re-enrolling into a program for the 2018 policy year. To request a free analysis online from CompManagement for the upcoming 2018 policy year, simply click on the button below to complete the required Temporary Authorization to Review Information (AC-3) form for your BWC policy number.
