

AbundaBox™

## LET'S GROW TOGETHER

AbundaBox is more than just a box—it's a comprehensive solution that equips districts to support students and families better. Our services deliver Health Packs with healthy food, healthcare, education, and connectivity resources, all sent directly to eligible homes.

### IN PARTNERSHIP WITH

### WHO WE ARE

AbundaBox is proud to partner with the Ohio School Boards Association and your district, advancing a mission to integrate health into the fabric of education. Together, we're preparing students for a successful future by providing comprehensive health and wellness support.

### WHAT WE DO

In partnership with the Ohio School Boards Association, AbundaBox delivers monthly Health Packs and 24/7 clinical support to families at no out-of-pocket cost. This initiative ensures the health and well-being of students and their families.

### HOW WE BENEFIT YOUR DISTRICT

AbundaBox provides a dual impact: enhancing student achievement by supporting health and strengthening district-community relations. Our tailored Health Packs improve wellness, creating a healthier learning environment.

### MENTAL HEALTH ADVOCACY

In collaboration with the Ohio School Boards Association and your district, AbundaBox prioritizes mental well-being, offering resources and support to cultivate a mentally healthy community, directly benefiting student achievement.

### EDUCATION & HEALTH, HAND IN HAND

AbundaBox, in partnership with the Ohio School Boards Association, fosters a well-rounded educational journey. Our approach blends life skills and health literacy, preparing students for life's challenges.

### MAKE A DIFFERENCE TODAY!

Let's empower Ohio's students and families. Contact AbundaBox to enrich your district's wellness programs throughout the entire year.
